

Farm Fresh. Always

Fruitways is an agri-business that specialises in the growing, packing and marketing of apples and pears to retailers, traders and wholesalers around the globe.

COST ACCOUNTANT

Date first published: 28 September 2021

We have an exciting career opportunity for a self-disciplined and confident individual who will perform a supporting role to our Financial Manager: Operations. Your ability to work independently and accurately in a pressurised environment as well as building interpersonal relationships will be advantageous.

Reporting to the Financial Manager: Operations you will be required to travel between operational sites in the Grabouw/Vyeboom area with your base office in Somerset West.

Responsibilities:

- Cost accounting exercises to support operational KPI'S for both the farming and packing business units
- Maintain and improve activity-based cost and revenue models to support operational decision-making and profitability
- Support internal audit and control functions
- Assist with costing calculations of capital expenditure projects
- Facilitate forecasting and budgeting process
- Update and improve forecasting and budget templates
- Review draft forecasts by operational managers for reasonability

Requirements:

- B Com Management Accounting degree or similar qualification
- Preference will be given to candidates with a CIMA qualification
- 5-7 years' experience in a similar environment
- Excellent Excel skills
- Attention to detail
