

Farm Fresh. Always

Fruitways is an agri-business that specialises in the growing, packing and marketing of apples and pears to retailers, traders and wholesalers around the globe.

REFRIGERATION ASSISTANT

We are looking for a pro-active and well organized individual who can work independent and efficiently in a pressurised environment. Reporting to the Refrigeration Technician, you will be based at our **Valley Packing Division in the Grabouw area.**

Key Responsibilities:

- Apply, monitor and maintain correct cooling protocols and regimes.
- Daily inspections and weekly preventative maintenance checks on refrigeration equipment.
- Assist the Refrigeration Technician with servicing and maintenance of machinery and equipment.
- Repair minor building items and equipment.
- Keep working area and equipment clean and safe.

Requirements:

- Grade 12 with appropriate tertiary qualifications as per OSH Act to work on Ammonia Refrigeration Equipment (SARACCA Category B Ammonia Refrigeration Practitioner)
- Minimum 4 years' proven job-related experience in similar position and workplace
- Computer skills (MS Office and more specific Excel (Basic) and Outlook)
- Willingness to do standby/weekend duty
- Good communication skills
