

Farm Fresh. Always

Fruitways is an agri-business that specialises in the growing, packing and marketing of apples and pears to retailers, traders and wholesalers around the globe.

Logistics Manager

Date first published: 29 November 2018

We have an exciting career opportunity available at one of our **Packing Operations** in the **Grabouw Area**. We are looking for a self-motivated, pro-active individual who is able to provide specialist input into the optimisation of our Logistics and supply chain processes.

Responsibilities:

- Ensure efficient execution of the supply plan by managing and monitoring the processes for bin logistics and pallet loading.
- Oversee system transactions and manage information to ensure data accuracy and report on progress against set targets.
- Review and analyse various supply chain and storage processes to enable process optimisation.
- Conduct research, develop proposals and recommend best practice solutions to address key logistics and supply chain challenges.
- Manage a team of experienced stock and logistics personnel.
- Oversee health, safety and security systems and processes to ensure compliance to relevant legislation.

Requirements for position:

- Degree/Diploma in Logistics or Operations Management.
- A minimum of 3-5 years' experience in a logistics management role, preferably in a fruit packaging environment
- A minimum of 2 years managerial experience in an organised labour environment.
- Computer literate and good knowledge of systems.
- Strong interpersonal skills and the ability to communicate effectively across all levels within an organisation
- Effective leadership skills
