MAINTENANCE SUPERVISOR: ROADS & CIVIL WORKS

Date First Published: 03 September 2018

We are looking for a pro-active individual who is hands on in their approach to getting tasks done. Strong attention to detail and ability to co-ordinate will be advantageous. Reporting to the Maintenance Manager, you will be based at Glen Elgin in the Grabouw area. Regular travel between our various operational units in the Grabouw/Villiersdorp area will be required.

Responsibilities:

- Implement a weekly and daily maintenance resource plan
- Monitor progress of work done and ensure compliance with relative legislation
- Supervise a team of construction workers and vehicles to ensure timeous achievement of daily tasks
- Maintain filling database and ensure accuracy of information
- Co-ordinate and control stock to ensure sufficient availability and minimum wastage.

Requirements:

- Matric or relevant trade qualification
- 5 years road construction experience
- Previous experience as a supervisor will be advantageous
- Basic computer literacy
- EB Code driver's license required
