

Farm Fresh. Always

Fruitways is an agri-business that specialises in the growing, packing and marketing of apples and pears to retailers, traders and wholesalers around the globe.

MANAGEMENT ACCOUNTANT

Date first published: 04 December 2018

We have an exciting career opportunity for a self-disciplined and confident individual who will perform a supporting role to our Packing Services business units. Your ability to work independently and accurately in a pressurised environment as well as building interpersonal relationships will be advantageous.

Reporting to the Managing Director you will be required to travel between the three operational sites in the Grabouw/Vyeboom area with your base office in Grabouw.

Responsibilities:

- Compile, analyse and interpret monthly management accounts and annual financial statements
- Facilitate forecasting and budgeting process
- Cost accounting exercises to support operational KPI'S
- Internal audit and internal control functions
- Formulate activity-based cost and revenue models to improve operational decision-making and profitability
- Manage and challenge capital expenditure requirements
- Review procurement practices, controls and disciplines to ensure compliance to best practise
- Ensure compliance of commercial agreements with regards to supplier warranties, rebates, discounts and payment terms.
- Support packhouses with their financial analysis and improvement initiatives

Requirements:

- B Com with completed SAIPA or SAICA articles
- 5-7 years' experience in a similar environment
- Excellent excel skills
